

## Estimation

| Task         | Hr.'s       | Task Cost     |
|--------------|-------------|---------------|
| UI/UX        | 100         | 1000          |
| Front-End    | 200         | 2000          |
| Back-End     | 300         | 3000          |
| Testing      | 80          | 800           |
| Deployment   | 50          | 500           |
| Automation   | 150         | 1500          |
| Operation    | 300         | 3000          |
| <b>Total</b> | <b>1180</b> | <b>11,800</b> |

| Tool             | Cost |
|------------------|------|
| Testing Tools    | 500  |
| Automation Tools | 600  |
| Total = 1600     |      |

### Assumption:

- Any changes in the requirements leads to change in the estimated time.
