# Digital Discount Card

Mobile Application

Project Stakeholders:

- Developers "Seniors & Juniors "
- Client
- Sponsors
- Offer Providers "Clinics, Restaurants, Stores … etc."
- Card Users
- HR Team

Stakeholders Management Plan:

High Influence

- - Card Users - - Sponsors - - HR Team	- - Client - - Sr. Developers - - Offer Providers

Low Interest ← → High Interest

- Jr. Developers

Low Influence

Actions Needed:

1. Provide card users with a clear outstanding about the app features along with an insight about the benefits of using the app such as "benefit of Google Map service".
2. Discuss the resources required with the sponsors so that they can prepare the financials required.
3. Discuss the junior developers' skills with the HR Team so that they can find the best candidates required for the project.
